Billy Hargrove was watching Steve out of the corner of his eye. While he was taking a shower too, to say the least. And yeah, that sounded a little suggestive. He had a bar of soap. With a smirk, he dropped it.

"Hey Harrington," he drawled. "Could you pick that up for me?"

"Uh, why?" Steve just rose an eyebrow.

Shit. He hadn't expected him to actually ask why.

"Um...because my back...hurts..." Billy said slowly, trying to think of something. "...from how much sex I have with girls!"

Steve wasn't buying that. Billy wasn't going to back down though.

"Babes," he explained.

"What?"

"Chicks."

"What."

"Bitches."

"*What.*" Steve respected women.

Billy took a deep breath. "I'm so straight."

Steve sighed. This was painful. He patted the other guy on the shoulder.

"...just come out already, buddy."
